- 1) **Welcome and apologies** - Present – Mags, Angie, Jeff, Derek, Corrinne
Apologies – Richard, Ann

- 2) **Last minutes and matters arising**

Angie has made contact with the person who delivers horse manure. Plan is to keep delivering this to just inside main entrance when its available.

Angie is liaising with her contact re compost

We haven't spoken to Joel yet but we think his grant came from Counsellors funds and Postcode Lottery

Angie is going to ask Chris Brown to look at levelling the car park area (see STC meeting feedback later)

- 3) **Treasurer's report** – we have £1105 in the bank. Hub insurance is due early May. We approved paying £150 for cost of shed and putting this up. Approved by MA/AH

- 4)

- 5) **Secretary's report** – Nothing new to report

- 6) **Skipton Town Council links and feedback**

See minutes from meeting on 3/4/25. Jeff, Ann and Richard went.

Point 3 Levelling car parking area – STC will nominate a contractor but we can still ask Chris Brown if he's interested in tendering for the work and what his quote is. We can then take this back to STC.

Point 4 Waterbutts. Emma is going to ask this to be raised at the next Public Services Committee meeting

Point 5 – Derek has suggested he could check water meter usage between set night time hours when its likely water isn't being used (11 – 2am say) to see whether water meter changes. This would help us know how much water is being wasted through leaks

Point 6 – skips. It would be good to have to help new tenants. But we would need volunteers to supervise this. On hold for the moment.

Point 7 – Mags to ask Emma what the waiting list is like.

Thanks to Jeff, Ann, Richard and STC staff

- 7) **Hub**

Maintenance Afternoon – all organised. Hub painting is the priority. Next we need to sort out the garden

Opening the hub - There is a rota at the hub now to open most Saturdays 10.30 – 11am.

Compost – Angie and Derek have now picked this up and compost is available from the hub for a suggested donation of £4.50

- 8) **AOB**
