SCHEME OF DELEGATION

Adopted at Full Council Date: 16th May 2024 for Review May 2025

This Scheme of Delegation forms part of the Council's Financial Regulations and Standing Orders and will be reviewed every year.

Those with delegated responsibility are referred to by job title, Chief Officer (Proper Officer).

One of the purposes of the document is to clearly define the parameters within which Officers of the Council can act without reference to Councillors. Where consultation with others is a requirement of the ability to act it is clearly set out with whom that consultation should take place.

Any deviation from this scheme should be reported to Council at the earliest opportunity with an explanation of the circumstances in which the breach occurred.

The other purpose of the document is to capture the various delegated powers throughout the Council, including those delegated by the Council to its committees. This element of the scheme is the Terms of Reference of the committees.
